## **Enrollment Application**

Dear Dog Parent:

Thank you for your inquiry about our 24-hour dog daycare at Aardvark's.

Aardvarks offers 24 hour/ 7 days a week dog care. Whether you need daycare or our overnight care, we are committed to providing a safe, healthy, fun, and stimulating social environment for your dog.

At Aardvark's your dog will not be confined to a kennel run. Dogs are divided into play groups based on size, temperament, and play style. Your dog will enjoy supervised playtime with other dogs and our qualified staff.

There is a one-time non-refundable Application Processing Fee of \$15.00 for each application. (This fee will be waived for current Aardvark's clients.) This is due on the evaluation day.

To enroll, simply fill out the forms and return them along with proof of vaccinations and a \$15.00 payment via check, cash, money order, or credit card. You may enroll through mail, e-mail, or if you prefer, drop off your application in person.

Once we have your application, proof of vaccinations, and application fee; we will review your paperwork and call to schedule your dog's first day at Daycare . During their first visit your dog will be slowly introduced to the daycare setting. They will be evaluated for temperament and behavior in a group setting. Please note that all evaluations are by appointment only Tuesday through Friday and no later than 8am.

Once the dog passes their "evaluation" they are welcome to board and/or attend daycare here at Aardvarks.

If you have any questions, please feel free to contact us at (707) 557-5184. You can also stop by our location during business hours.

To ensure the safety and health of your pet and our other guests, we require all dogs, and their humans, to comply with the following rules and regulations:

# **Aardvarks Adventureland**

- AGE:** Generally, dogs must be at least 16 weeks of age or older.
- ALTERED:** All dogs 7 months or older must be spayed or neutered.
- VACCINATIONS:** All dogs must have up-to-date vaccinations. Owners must submit written proof of Rabies, DHLPP and Bordetella vaccinations. We highly recommend the Canine Flu virus vaccine as well.
- HEALTH:** All dogs must be in good health. Owners will certify their dogs are in good health and have not been ill with a communicable condition in the last 30 days. Upon admission, all dogs must be free from any condition which could potentially jeopardize our other guests. Dogs that have been ill with a communicable condition in the last 30 days will require veterinarian certification of health to be admitted.
- BEHAVIOR:** Dogs must not be aggressive. Owners will certify their dog(s) has/have not harmed or shown any aggressive or threatening behavior towards any person or any other dog(s). Please remember, your dog will be spending time with other dogs and the safety and health of all animals is our main concern.
- BREED RESTRICTIONS:** Unfortunately, some dogs do not do well in the daycare setting due to their play style. However, we treat every dog as an individual. (Traditionally mature Bully Breeds do not do well in this type of setting.)
- APPLICATION:** All dogs must have a complete, up-to-date and approved application on file. There is a one-time \$15.00 non-refundable application screening fee.
